COVID-19 UPDATES

We need your help in sharing information about the COVID-19 vaccine. [Vaccine.coronavirus.ohio.gov](https://vaccine.coronavirus.ohio.gov) is an online resource for Ohioans to learn which providers received a COVID-19 vaccine allotment and how to contact them. If you or someone you know is eligible to receive a vaccine in Phase 1B, they should use this tool.

Tentative dates to start vaccinating these Phase 1B populations are:

- Jan. 19, 2021—Ohioans 80 years of age and older.
- Jan. 25, 2021—Ohioans 75 years of age and older; those with severe congenital or developmental disorders.
- Feb. 1, 2021—Ohioans 70 years of age and older; employees of K-12 schools that wish to remain or return to in-person or hybrid learning.
- Feb. 8, 2021—Ohioans 65 years of age and older.

When a new age group begins, vaccinations may not be complete for the previous age group. It will take a number of weeks to distribute all of the vaccines given the limited doses available.

If you are older than 65, please connect with an Area Agencies on Aging about questions or if you need transportation assistance. For more information, visit aging.ohio.gov or call 1-866-243-5678.

More information can be found at coronavirus.ohio.gov.

INDUSTRY INFORMATION

■ Everyone experiences stress - challenges on the farm, chronic disease, or an argument with a loved one. Confidential support is offered 24/7 by phone or text. Call the Ohio CareLine at **1-800-720-9616**, or text the keyword “4hope” to **741-741**.

■ As COVID-19 vaccines continue to be administered, ODH is regularly updating the [FAQ](#), [Myths vs. Facts](#), and more at coronavirus.ohio.gov/vaccine.

SUGGESTED SOCIAL MEDIA POSTS

During a pandemic, every move you make comes with risk – like an unmasked poker night with the guys or hunting trip with friends. Until we're all protected, limit your risk and stay safe, Ohio. #InThisTogetherOhio

<https://www.youtube.com/watch?v=vv21QLKT-Mc>

When we all wear masks, it lowers the chance that we get sick from #COVID19. It's that simple. Whether you live on a farm, in the city, the suburbs, or out in the country – rise to the task, wear a mask. 🤧 #MasksOnOhio <https://youtu.be/07-nS5HmV9I>

We need all available tools to stop the #COVID19 pandemic. Getting a COVID-19 #vaccine, wearing a mask, staying at least 6 feet away from others, and washing your hands often will work together to get us through the pandemic. #InThisTogetherOhio

Farm stress? You're not alone, we've #GotYourBackOhio. The Ohio CareLine's behavioral health specialists offer confidential support in times of personal or family crisis 24/7. Take care of your mental health, call the Ohio CareLine 📞📱 1-800-720-9616. <https://bit.ly/OhiosGotYourBack>

TALKING POINTS FOR YOU

- The goals of Ohio's COVID-19 vaccination program is to save lives and to allow students to return to in-person learning; therefore, while the vaccine supply is extremely limited, priority will be given to Ohio's most vulnerable residents and school personnel who commit to remaining open or reopening schools full time or in a hybrid model by March 1st.
- While there is no mandate to receive a vaccine, vaccinations are extremely limited. Ohioans should be aware that, due to vaccine shortages, anyone who declines the vaccine at their first opportunity may not have another chance to receive it for some time.
- It's critical that we all continue to properly protect ourselves from COVID-19. It continues to spread throughout all communities in Ohio. We need to continue to wear our masks, social distance, wash our hands, and limit our travel and interactions with those outside of our households.

HOW YOU CAN HELP

- ✓ Set a good example, by wearing a mask, making virtual accommodations, and maintaining social distance when meeting face-to-face with others.
- ✓ Post on social media to describe how you are working to keep your employees and customers safe (and what they can do to help you maintain a safe environment) using the suggested hashtags.
- ✓ Submit letters to the editor or local news outlets that support the "COVID-19 Key Messages;" wear a mask, wash hands often, and social distance.
